Develop your skills in screenwriting for film and TV-drama		

### You want to start some drama?

Would you like to learn from people working in the film industry? Or would you fancy taking part in two film festivals? Or maybe you just want to be able to write a really good story?

However your goals are, you are welcome to apply to Litorina International Art of Screenwriting. A program where you develop your screenwriting skills for film and TV-drama. You will increase your knowledge of the film industry and eventually become a screenwriter working in Sweden and abroad.

**After a year with us you will have a better chance to become one of tomorrow's screenwriters!**

During the course you will improve your theoretical foundations of screenwriting and take part in inspirational periods in the form of practical writing in various environments and situations, as well as observing professionals in action.

You will have the possibility to participate in the Carl International Film Festival.
